THE SKIING TIMES

16th October 2015

Show Me The Way To Novello Infesta

Culture tradition Wine art and music are interwoven with the colors and flavors of autumn.

The picturesque setting of the event will be the Historical Center of Leverano that is preparing to welcome many visitors.

Initiative, therefore, that in addition to

enhancing the Vino Novello (main protagonist of the event) aims at the promotion, enhancement and development of the region by stimulating tourism seasonally adjusted.

Not only wine then for the many tourists who choose to visit the exhibition but three event-filled days .visite tours of the cellars of Leverano, music, street performers, tasting local products, introductory courses to wine, visit the tower of Frederick II, exhibitions, Living Wine and do not miss the second edition of the Palio delle Botti, original and folk race between the villages of the Historical Center of Leverano.

The Spindlers And Wrights Head To Lecce For Festival

As a prelude to this years skiing holidays the Spindlers and the Wrights decided to take in a bit of culture and enjoy the festivities of the Novello Infesta in the City of Leverano in the southern most point of Italy in Lecce.

Hosted by the marvelous Cosimo they look forward to 3 days of good food, wine, music and entertainment.

This will be the first time that they have attended the festival and anticipate a fantastic time.
